

# ALL AMERICAN MOWER CHAMPIONSHIPS

[www.aamc.yolasite.com](http://www.aamc.yolasite.com)

THE ALL AMERICAN MOWER CHAMPIONSHIPS, over the years this event has continued to be the biggest single stand alone event in the country. The biggest diversity and variety of clubs and drivers from across the US and Canada to include Australia this year, gathered in one spot. IT takes allot to make this happen and we are always actively looking for event sponsors and even class sponsors. If you're interested please give me a shout. The Dates are as follows

Nov. 4th Open practice

Nov. 5th Registration and Tech and then Qualifying.

Nov. 6th No practice So please don't ask!! Feature races only!!! 30 lap features this will not change. It's what makes the race what it is.

## WHAT:

The AAMC is the Daytona 500 of mower racing and one of the premiere events in the US. It is dedicated to you the racers. It's the race every racer across the US, Canada and even the big pond come to test their machines and themselves against the absolute best of the best. It holds an atmosphere and prestige like no other event. So, come be a part of the AAMC. There will be something for everyone. There will be trophies, Special awards, for the racers and plenty going on at this event.

**WHERE:** Stevenson Alabama City Park Rd. 35772 from I-24 turn south on 72 then go to Hwy. 117 turn right and City Park Rd. is the first rd. on left.

Camping on site with water and electric available no sewer and is a first come basis. 12.00 per night an attendant will be by to collect. Shower houses on site.

**WHEN:** Nov. 4<sup>th</sup>,5<sup>th</sup>, and 6<sup>th</sup>

## PARK ENTRY FEES

Use to driver and one got in free but since everyone claimed to be a driver we can no longer honor this. EVERYONE must pay 5.00 to get in the park sorry. This park entrance fee applies to everyone!!

**RACE FEES:** Racers will pay a \$45.00 entry fee for one class. Each additional class is 5.00ea covers insurance, and your 3 day pit access and your transponder fees as there will be electronic scoring as always. ALL other persons in the pits, including pit crew and minors 6yrs and above must pay \$10.00 for Pit pass/Access.

If you pre-register at <http://www.aamc.yolasite.com/entry-form.php> you will save 5.00 on your race fee.

## Weekend Tentative Schedule:

Nov. 4th

FRIDAY EVENING... time/weather permitting tech will be open by 12pm sign in and safety tech 2pm till track will open But for a controlled practice.

Nov. 5th

8:30-11 registration and tech, 11:15 drivers Meeting 12pm practice/qualifying followed by heats followed by supper time.

Saturday each class will have one 5 minute round IF it goes quickly we will then hold a two minute Knock out round of practice /qualifying. Practice times being recorded and heat grids will be based on those times. Heats will be 15 laps. Depending on amount of mowers multiple features is possible. We won't know this till race day. Features on Sunday will be grid by heat finishes.

Nov. 6th

SUNDAY 9:30 to 11 safety tech 11: 15 Drivers meeting (no practice please don't ask). 12:00 features begin Trophy presentation to follow. Features will be 30 laps except for stock and mini mod class. They will run 4 lap heats and 6 lap features. May the best racer win?

ALL are welcome regardless who you race with, UNLESS otherwise notified. BTMRA rules will be the guideline classes are based on.

Pump gas or Alcohol is legal and fuel is subject to testing. Staff reserves the right to test all fuel suspected or randomly. Test fuel will be bought from BP on right past park entrance. We DO HAVE A TESTER AND KNOW HOW TO USE IT. No additives what so ever allowed in the fuel or the oil.

### Class Designation / Groupings

Goal: We want ALL groups out there to be allowed to compete in the AAMC. We have created a set of rules designed to allow just about any reasonable type of mower to compete. Please review class designations below.

Classes based on BTMRA/US/ARMA/:

Mini mod 4 to 10 yrs. 10/1 ratio 3650 rpm 6.5 max hp

GPK

Super Stock/IMOW

GP / ModXR

SP/Sportsman

CP/Mod-X

BP/Super Sportsman

Limited Mod Single

Super Mod Single/FXS

Limited Mod Twin

Super Mod Twin/FXS

JP class sponsor was always taken by JSE racing. (Joe's Small Engines) Since Joe passed right after the 2015 AAMC we will continue to honor this by sponsoring the GPK class in his honor. Since his love was watching the kids race.

Depending on amount of participation there is the chance we may run multiple qualifiers

to pare down the fields for features, this will be a race day decision made at the discretion of AAMC officials on race day. (Everyone will have a chance to race.)

## Race Day Decisions

All race day decisions made at the discretion of AAMC officials will be communicated to the drivers as soon as possible so everyone has as level a playing field as possible. ALL decisions are final and not open for argument.

Camping on site water and electric available no sewer and is a first come basis. 15.00 per night an attendant will be by to collect. Shower houses on site. Primitive camping allowed also.
